To Whom It May Concern:

It is a distinct pleasure to recommend Matt Stafford of Dependable Concrete, Inc. to your company. In my capacity as Concrete Manager of Prince Land Services and Development, I have worked closely with Matt on many concrete projects.

Matt has, on numerous occasions, turned difficult and time-consuming jobs into very profitable and manageable ones. He is very knowledgeable in the field of concrete and is always willing to help others. He can relate to people in many ways and on many levels, and would make a great addition to any project. We will continue to use Matt on future projects.

Sincerely,

Fred Winsted
